

The Lions Group Centre
7-9 Holmesdale Gardens
Hastings
East Sussex
TN34 1LY

Medication Policy

There are an increasing number of students bringing their own medication to Buckwood Lions Centre. Unless the medication is prescribed for a specific ailment by a doctor and that we are informed of this on the booking Form and the parents or Guardians have given written consent and have allowed their children or students to travel with the self-prescribed medication.

The Lions Centre must have a signed Medical form and have written consent on the booking form that their Group leader / Guardian NOT a Buckwood Lions member of Staff is responsible for the medication and dispensing of it. We **DO NOT** accept any responsibility. The Lions centre offer a lockable Medicine cabinet where the medicine can be stored safely. If any group leader dispenses medicines to any student, Buckwood Lions staff must be made aware this has taken place, the time & date noted and a signature of the group leader or Guardian who dispensed the medicine.
