Breakfast

Breakfast is the most important meal of the day and therefore we ensure that it always consists of a fruit salad, yogurt, fruit, porridge and kedgeree, four choices of cereals and of course toast. There is always a hot main course to go with this: boiled eggs, fried eggs, French toast, sausage and beans and croissants a subheading.

Lunch

There is always fresh soup, bread, salad and fruit and a standard menu that includes Monday being a pie day, Tuesday is Chinese Tuesday, Wednesday burgers, Thursday, three different pastas, and Friday – meat free day or fish day!

Supper

The winter warmer menu includes a main course, an 8-choice salad bar with fruit, soup and a good old English desert.
