

A typical day at The Lions House

Before school

Time	Event
7am	Morning bell has gone and its time to get up
7:45am	Breakfast – yummy a full English breakfast served in the dining room. The chef is really friendly and will make little extras for us!
8:30am	Room inspection. Must have my room tidy and be standing by my bed as I want to gain house points to win the pizza at the end of the week! Must remember to take my laundry down to the house keeper – she is like our mum really friendly to help us out.
8:45am	School bus arrives have I got my books and Lions hoody – off to work!

School day

9am – 3:45pm	At school or day or perhaps out on a half day trip. I must check my timetable. Break, lunch and afternoon tea all sorted, packed lunch for trip days. I know where the library is and I know where to go for lessons and I have found out where the Lions groups leaders office is in case I get lost - it is going to be really good day – as the Headmaster told us – Buckswood is like a journey and an adventure where the distance is measured by moment (I think he means selfies) instead of miles – so let the adventure start!

End of the school day

3:45pm (5:15pm on Fridays)	Time to get on the bus to go back to the House. Say bye to my classmates, might meet a few of them later in town or may be go to their house or they could come to us for supper
4:15pm (5:45pm on Fridays)	Back at the house, fresh muffins and tea – thanks chef!
5pm (6pm on Fridays)	Shower time and time to get changed out of my school stuff
6:30pm	Bell goes for supper. Fish and chips, or chilli or perhaps Chinese (chef makes a really good Chinese!) The English like their puddings so it's a three-course meal every night 😊
7:30pm	Activity time. Time to go out to the town with our Lions activity leader or perhaps its Zumba at the residence or may be just a chill in front of the TV session, what I like about it is that I am with my friends and classmates – I feel comfortable and safe.
10pm	Time for bed. Our group leader and Lions activity leader comes around and ensures that we have everything we need. I am tired so I am off to sleep!
